Since its founding in 1986, the Bonn Opera Friends Association, the *Opernfreunde Bonn*, has brought together those interested in opera and its artistic success, especially at the Bonn Opera.

We are committed to

- supporting a high-quality music theater in Bonn
- actively promoting our interests to political decision-makers

We foster

- young talent with our *Friends of the Opera Prize* to support, among other things, a highly skilled Ensemble
- young singers by providing sponsorships, which enable them to perform at the Bonn Opera
- new audiences by enabling school classes and young refugees to attend performances at the Bonn Opera

We offer

- sneak previews of new productions, including dress rehearsals, in agreement with the Bonn Opera
- concerts, with post-show discussions, by soloists from the Bonn Opera Ensemble
- exchanges of ideas and discussions with experts, artists and contributors from the Bonn Opera as well as a regulars' Stammtisch
- together with the Theatergemeinde, trips to interesting productions on other stages
- 10% discount on all CDs and DVDs in the *Opernshop* and in the *Beethoven-Haus-Shop*
